

# How Can You Receive the Most Benefit From Your Greater Tomball Area Chamber of Commerce Membership?

## GET CONNECTED!

Greetings! As Chairman of the Greater Tomball Area Chamber of Commerce, I'd like to extend a personal invitation to get involved! The Chamber offers many networking opportunities, but we also have vital divisions that are active in local, state and national affairs. Read through the Program of Work—our well-rounded action plan for the upcoming year. There are many opportunities for you to become connected with other businesses and with our community. These same connections help you in business. Study the charges of the many Chamber committees outlined in the Program and consider joining those that match your special areas of interest. It is, after all, through your active involvement that you can realize the maximum benefits of your Chamber membership. And it is your involvement that enables the Chamber to realize its vision for the future of the entire community. You get out of anything what you put into it, and the more connections you make with your Chamber, the more connections you'll make for your business. I look forward to working with you!

Sincerely,

Jackie Barnes
